Swedish Facial Plastic & Cosmetic Treatments

Price List

Laser Hair Removal

Laser hair removal is a non-invasive way to reduce hair growth. A low energy laser beam is used to treat the area by passing energy down the hair shaft to destroy follicles without harming the skin around them.

Women's Treatments

Upper lip	75
Chin	75
Entire face	200
Bikini	200
Lower arms	300
Upper arms	200
Arms	400
Lower legs	400

Legs	600
Feet	75

Dermal Filler Treatments

The dermal filler is injected in the dermal layer under the surface of the skin to restore a natural, more youthful look.

Juvederm	450
Radiesse (0.8 cc)	450
Radiesse (1.5 cc)	550

Chemical Peels

A chemical peel removes the outer layers of the skin that have been damaged by the sun or lifestyle, exposing new skin.

Glycolic Peel	125
Lactibright Peel	125
Jessner Peel	200
TCA Peel	400
Acne Peel	150

Botox 10/unit

Botox is a botulinium toxin that is injected through the skin into the muscles to temporarily paralyze them. It is commonly used to rid the frown lines, forehead wrinkles and crow's feet around the eyes.

Photo Facial Rejuvenation

Photo facial skin rejuvenation is a series of gentle, pulsed light treatment that helps eliminate or improve minor skin imperfections such as mild acne scars, age spots and photo aging.

1st & 2nd treatment	250
3rd – 5th treatment	200
Extra treatments	150

Fractional Skin Resurfacing

The fractional laser smoothes fine lines and wrinkles, improves discoloration and offers mild skin tightening. It is performed in a series of sessions as skin is treated just a fraction at a time. The surrounding untreated skin drives the healing process, filling in the treated area with healthy, more youthful looking skin.

1st & 2nd treatment	500
3rd – 5th treatment	500
Extra treatment	300

Skin Care Products

We carry a number of advanced skin care products that revitalizes and shields the skin to reduce the signs of aging. All items are available for purchase in our clinic.
