CME Calendar of Events – 2013

AMA PRA Category 1 Credit™ Activities

Neuroscience Grand Rounds Series *www.swedish.org/SNIGrandRounds*
*Currently on Summer Hiatus and will resume on Thursday, September 5, 2013
1st and 3rd Thursdays, monthly (except July, August and holidays) – 7:30-8:30 a.m.
Swedish Education & Conference Center, Cherry Hill

Neuroscience Grand Rounds is now available online, for-credit!
http://www.swedish.org/Neuroscience-Grand-Rounds

Clinical Cancer Conference Series: Neuroscience *www.swedish.org/CancerConference*
Mondays, weekly (except holidays) – 7:30-8:30 a.m.
Swedish Education & Conference Center, Cherry Hill

Category II Series

Cerebrovascular Case Conference
1st, 3rd and 5th Tuesdays, monthly – 7-8 a.m. – Swedish Education & Conference Center, Cherry Hill

Cerebrovascular M & M
2nd Tuesday, monthly – 7-8 a.m. – Swedish Education & Conference Center, Cherry Hill

Epilepsy Case Conference
Wednesdays, weekly (except holidays) – 4-5 p.m. – James Tower Suite 5427, Cherry Hill

Multiple Sclerosis Case Conference
2nd Thursday, monthly – 7:30-8:30 a.m. – Swedish Education & Conference Center, Cherry Hill

Neurology Case Conference
1st Wednesday, monthly (except holidays) – 12-1 p.m. – Swedish Education & Conference Center, Cherry Hill

Seattle Science Foundation Spine Conference Series
1st and 3rd Wednesday – 6:30-8 a.m. Seattle Science Foundation, James Tower, 6th Floor
www.swedish.org/spineconference

SNI M&M Case Conference
3rd Monday, Bi-monthly – 6:30-7:30 a.m. – SNI, James Tower 5th Floor, Cherry Hill

Swedish Neuroscience Lecture Series
4th Thursday, monthly – 7-8 a.m. – Swedish Education & Conference Center, Cherry Hill

Swedish Continuing Medical Education
(206) 386-2755 · www.swedish.org/cme · CME@swedish.org

The Swedish Neuroscience Institute is a dedicated neuroscience center that offers clinical care, research and education in virtually every area of the neurosciences. Using a multidisciplinary approach, leading neurologists and neurosurgeons provide specialized expertise in brain tumors, cerebral aneurysm/AVM, stroke, epilepsy, multiple sclerosis, movement disorders, spine, neuro-ophthalmology, pituitary disorders and pediatric neurology. Patients receive care in facilities that are among the most advanced in the country.

SWEDISH NEUROSCIENCE INSTITUTE

Treatment of Fusiform Cerebral Aneurysm and Two-Stage Surgery for Giant Acoustic Neuromas

Johnny Delashaw, M.D.
Neurosurgeon
Swedish Neuroscience Institute

Thursday, December 5, 2013 | 7:30-8:30 a.m.
Swedish Education and Conference Center, Room B

Objectives:

At the conclusion of this session, attendees will have an increased ability to:

- Review natural history of fusiform aneurysms
- Discuss surgical anatomy of posterior fossa
- Describe the surgical treatment of acoustic neuromas

Accreditation with Commendation
Swedish Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™
Swedish Medical Center designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™.* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Swedish Neuroscience Institute: State of the Institute Quaternary Neuroscience Care in a Changing Healthcare Environment

Marc R. Mayberg, M.D.
Executive Medical Director
Swedish Neuroscience Institute

Thursday, December 19, 2013 | 7:30-8:30 a.m.
Swedish Education and Conference Center, Room B

Objectives:

At the conclusion of this session, attendees will have an increased ability to:

- Highlight the vision, goals, challenges and accomplishments of Swedish Neuroscience Institute (SNI)
- Highlight the vision, goals, challenges and accomplishments of Swedish Neuroscience Institute (SNI)
- Discuss the SNI emphasis on subspecialty expertise, growing patient volumes, tertiary/quaternary care and integration in the Providence system in the context of transformative healthcare, ACO and quality/value propositions
