

# Keeping Our Promise: Expanding to Meet Your Health-Care Needs

## New Emergency Department, Urgent Care Center Opening Fall 2015

The largest expansion at Swedish/Edmonds in more than 40 years is underway. The two-story, 77,000-square-foot hospital addition features:

- A new emergency department with private exam rooms and reduced wait times
- An urgent care center offering faster, more affordable care
- A new outpatient diagnostic imaging center
- A new 7,600-square-foot public lobby that's spacious and inviting
- A new, three-story parking structure, capable of accommodating more than 350 vehicles with free parking
- 37,000-square-feet of additional reserved space on the second floor for future hospital services and programs
