206-320-5794 (f)

Dear families,

There are exciting new changes coming up at Swedish Children's Clinic-West Seattle. We're confident that these changes will help us to serve your family in even better ways and greatly enhance your care experience.

### **New Location**

Our clinic will be moving to a beautiful new space near the SW Alaska Street/California Avenue junction. Our new location is at **4744 41<sup>st</sup> Ave. SW, Suite 101, Seattle, WA 98116**, just one block east of Jefferson Square. To facilitate the move, the clinic will be closed on Friday afternoon, June 13, and on Saturday, June 14. **We will begin seeing patients at our new location on Monday, June 16.** Our current clinic hours will remain the same.

### **New Care Teams**

Besides offering a larger, child-friendly clinic setting, our staff will be newly grouped into small care teams designed to provide more personalized attention. Each care team trio (physician, medical assistant or nurse, patient services coordinator) will take care of your family from appointment-making to visit to after-care. Each team has a dedicated phone line. Our excellent triage nurses will continue to be an integral part of our clinic staff and be available to talk through immediate medical concerns you may have when you call.

#### **Physician**

Susan Altemeier, M.D.

*Tiffany Cardinal, M.D.*

Elizabeth Evans, M.D.

Benci Franklin, M.D.

Sue Hott, M.D.

Kenneth Kumasaka, M.D.

Roger Scholten, M.D.

206-320-3935

206-320-3937

### **New Physician**

Local pediatrician Tiffany Cardinal, M.D., will join our clinic on June 30. She attended the University of Michigan Medical School and completed a pediatric residency at the University of Washington and Seattle Children's Hospital. Dr. Cardinal's interests include childhood nutrition and development. She'll be a wonderful addition to our clinic—for staff and patient families alike.

Sincerely,

The staff of Swedish Children's Clinic-West Seattle
