

Returning to an Online Module Instructions

If you register for an online module and are unable to complete the activity after you register, follow the instructions below to return to the online module and start again. Due to system limitations, this must be completed in one sitting and progress can not be saved.

If you've already completed an online module and passed the quiz but did not claim credit, please contact our office at <u>cme@swedish.org</u> for further assistance.

- 1. Sign in to your My CME Portal at https://cmetracker.net/SWEDISH/
- 2. Go to "My Portal" on the left menu and choose the "Registration History" button

3. Find the "Event Name" of the online activity you want to complete and choose "Confirmation of Registration" within that event listing.
