

DO YOU SUFFER WITH PAIN IN YOUR FEET OR LEGS DUE TO DIABETIC NEUROPATHY?

YOU MAY BE ELIGIBLE TO PARTICIPATE
in a clinical trial to evaluate the Senza[®] Spinal Cord Stimulation
(SCS) system as a treatment for your lower limb pain.

This study is a prospective, randomized clinical trial currently
recruiting patients from several sites across the US.

For more information or to find out if this study is suitable for you, please contact the doctor below:
Dr. Cong Yu or Dr. Frances Broyles
