

Questions for Your Treatment Team

Here are some questions that your Swedish cancer team can answer as you consider treatment:

- What type of breast cancer do I have?
- Has my cancer spread to lymph nodes?
- What is the stage of my cancer and what does that mean for my treatment?
- What treatments are best for me?
- How long will treatment last? What will it involve?
- What side effects should I expect from treatment?
- Am I a candidate for taking part in a breast cancer trial?
- Should I see a genetic counselor?
