

Pelvic Floor Urostym Program

Pelvic floor disorders such as urinary or bowel incontinence, pelvic organ prolapse, uterine prolapse, urinary urgency and frequency, and bladder or pelvic pain are frustrating and troublesome for the many women who experience them every day.

The Pelvic Floor Urostym Program at Swedish, led by Jeannette Proctor, MSN, ARNP-BC, RNFA, can help relieve some of the bothersome pelvic conditions so women can live their lives with confidence and comfort.

Women who experience pelvic floor disorders can benefit from our comprehensive Urostym program. Some of the symptoms we treat include:

- Mixed incontinence
- Urge incontinence
- Stress incontinence
- Fecal incontinence
- Pelvic prolapse
- Irritative voiding symptoms
- Pelvic dysfunction
- Frequency of urination
- Pre- or postpartum conditioning

If you or someone you know is suffering with one of these issues, our Pelvic Floor UroStym Program is a highly successful, cost effective and painless option.

For more information or to request a consultation or appointment, please contact Swedish Urology Bellevue at 425-452-3959 or visit www.swedish.org/urology.

Jeannette has specialized in women's health care for 30 years and brings knowledge, experience and compassion to your care. She is a women's advocate and strives to help women regain their freedom and quality of life.

We do not discriminate on the basis of race, color, national origin, sex, sexual orientation, gender identity or expression, age, or disability in our health programs and activities.
